Sealing Length	1200mm	2500mm	3000mm	4000mm	5000mm

FMQP IMPULSE BANNER WELDING MACHINE

(Special sizes to order)

NEW Features

- Thermo impulse sealing technology
- Precise welding parameters
- Safety features CE approved

STANDARD FEATURES INCLUDE:

Digital Control
Automatic Heat/sealing Settings
9 Memory Programs
Uniform Pressure & Sealing
Clean & Strongest Seaming
Precise Fabric Welding
Efficient & Easy Operation
Maximum Comfort Design
Automatic Stop Safety Features
